

## PRODUCTION STATEMENT

### No Use of Conflict Minerals

We hereby assure that MALEIC ANHYDRIDE product of MOL does not contain any conflict minerals including:

- cassiterite,
- columbite-tantalite,
- gold,
- wolframite,

and their derivatives - from the Democratic Republic of Congo and surrounding countries. There is no such mineral used or added to the product during the production process.

This statement is valid until withdrawal.

17<sup>th</sup> May 2018.

József Bakonyi  
Head Of Operation MOL
